NOTE: The digital image of this New York State birth index microfiche sheet is unfortunately not available at this time. The file we received from the New York State Department of Health was corrupted and unable to be opened. We have asked the Department to please re-scan any missing microfiche sheets and send the new image files to us, but it may take several months. When we receive the new images, we will upload them in place of this message.

NOTE: The digital image of this New York State birth index microfiche sheet is unfortunately not available at this time. The file we received from the New York State Department of Health was corrupted and unable to be opened. We have asked the Department to please re-scan any missing microfiche sheets and send the new image files to us, but it may take several months. When we receive the new images, we will upload them in place of this message.

NOTE: The digital image of this New York State birth index microfiche sheet is unfortunately not available at this time. The file we received from the New York State Department of Health was corrupted and unable to be opened. We have asked the Department to please re-scan any missing microfiche sheets and send the new image files to us, but it may take several months. When we receive the new images, we will upload them in place of this message.

NOTE: The digital image of this New York State birth index microfiche sheet is unfortunately not available at this time. The file we received from the New York State Department of Health was corrupted and unable to be opened. We have asked the Department to please re-scan any missing microfiche sheets and send the new image files to us, but it may take several months. When we receive the new images, we will upload them in place of this message.

NOTE: The digital image of this New York State birth index microfiche sheet is unfortunately not available at this time. The file we received from the New York State Department of Health was corrupted and unable to be opened. We have asked the Department to please re-scan any missing microfiche sheets and send the new image files to us, but it may take several months. When we receive the new images, we will upload them in place of this message.

NOTE: The digital image of this New York State birth index microfiche sheet is unfortunately not available at this time. The file we received from the New York State Department of Health was corrupted and unable to be opened. We have asked the Department to please re-scan any missing microfiche sheets and send the new image files to us, but it may take several months. When we receive the new images, we will upload them in place of this message.

NOTE: The digital image of this New York State birth index microfiche sheet is unfortunately not available at this time. The file we received from the New York State Department of Health was corrupted and unable to be opened. We have asked the Department to please re-scan any missing microfiche sheets and send the new image files to us, but it may take several months. When we receive the new images, we will upload them in place of this message.
